

ECC Decision (12)02

ECC Decision of 01 June 2012 on the withdrawal of
ERC Decision (98)10

Approved 01 June 2012

EXPLANATORY MEMORANDUM

1 INTRODUCTION

In early 2011 the ERC/DEC/(98)10 related to the interconnection of PMR and PAMR systems to a Public Telecommunication Network was reviewed by Project Team FM38 and WG FM and it was determined that this Decision was suitable for withdrawal as the ERC(DEC/(98)10 was no longer needed as a matter of significant harmonisation within the CEPT. The ECC has already endorsed the proposal for abrogation of this ERC Decision in June 2011.

2 THE CONCERNED ERC DECISION IS ERC/DEC/(98)10

ECC agreed in 2004 to begin a review of all ERC/ECC Decisions to consider the impact of convergence of services and technology on the spectrum regulatory framework and consider whether any elements should be modified while assessing what benefits such action would bring. In addition, it was agreed that each ERC/ECC Decision will be reviewed by the ECC at least every five years from its date of adoption to determine the extent of its implementation and the take-up of any frequency bands designated in the Decision. As a consequence of this review the ECC Plenary would decide whether to maintain, revise or abrogate existing Decisions.

3 REQUIREMENT FOR AN ECC DECISION

The ECC Rules of Procedure foresee that the withdrawal of a Decision is subject to the same procedure as the development and adoption of a new Decision.

ECC DECISION OF 01 JUNE 2012 ON THE WITHDRAWAL OF THE ERC/DEC/(98)10 (ECC/DEC/(12)02)

“The European Conference of Postal and Telecommunications Administrations,

considering

- a) that the existing ERC Decision ERC/DEC/(98)10 is no longer needed;
- b) that the existing ERC Decision ERC/DEC/(98)10 is not considered any longer as a tool that provides significant harmonisation within the CEPT,

DECIDES

- 1. to withdraw the ERC Decision ERC/DEC/(98)10 of 20 March 1998 on the interconnection of PMR and PAMR systems to a Public Telecommunication Network;
- 2. that this Decision enters into force on 1 June 2012.”

Note:

Please check the Office documentation database <http://www.ecodocdb.dk> for the up to date position on the implementation of this and other ECC Decisions.
